RAISED GARDEN BED

- 1,000 ltr Raised Garden Bed is a plastic moulded product using 65 kgs of Linear Low Density Polyethylene premium material
- Guaranteed for 15 years against UV Degradation
- The product is 2,000mm Length x 1,000mm Wide x 730mm High
- The Raised Garden Beds come in standard Colorbond colours
- The top section of the garden bed (300mm deep cavity with three separate drainage holes covered in plastic mesh) holds 0.6 of a cubic meter of soil
- Beneath the 300 mm garden bed section is a 1,000 ltr water tank fitted with a 90 mm inlet and a 25 mm brass outlet. This can be connected to a down pipe from a garage or house to capture rain water
- A tap can be fitted to the outlet for filling a watering can or a small pump can be attached with a spray bar and timer to automatically water your vegetables, herbs or flowers

* After the SA Government Rebate of \$200 for eligible households
